

CHANGING POWER of Pieces

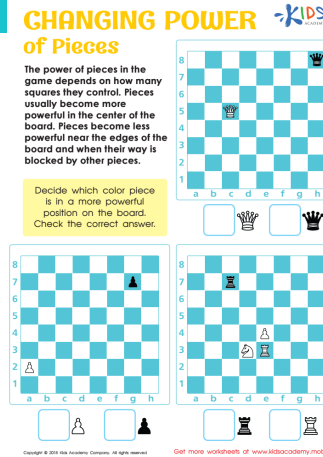

The power of pieces in the game depends on how many squares they control. Pieces usually become more powerful in the center of the board. Pieces become less powerful near the edges of the board and when their way is blocked by other pieces.

Decide which color piece is in a more powerful position on the board.
Check the correct answer.

Worksheet Answer Key.

Scan the QR code to get the answer key for this worksheet. In it, you'll also find an explanation of how to solve the worksheet and additional learning resources.

Complete this worksheet online.
